Blonde's Complaints

Us **blondes** at the offise are sew tired of awl of the dum stoopid jokes about us. We think this is hairassment. It causes us grate stress and makes our roots turn dark. We have hired a loyer and he is talking to the loyers at Blondairol. We will take this all the way to the supreme cort if we have two. Juj Thomas knos all about hairassment and he will be on are side.

We have also talked to the govner to make a new law to stop this pursicushun. We want a law that makes peepol tell brewnet jokes as much as **blonde** jokes and every so offe a read head joke.

If we don't get our way, we will not date anybody that ain't **blonde** and we will make up jokes about you and we will laff.

Sined by the **blondes** at the offise.

(Pleese sine with a pensil so you can erace it if you make a mistake.)
